How well do you feel the service related to the school's vision and values?

As a Christian the values of the birth of Jesus, the story behind the Christingle and Christian values in general really came through. I loved that the School focuses on the true meaning of Christmas and not the commercial one.

Love, peace, kindness - Jesus brought so much to the world by being born and dying for our sins. The school shows that forgiveness and faith in God help you to persevere when things get hard. Trust in God, through friendship they find peace. Through honesty they show and get respect.

Well done!
