Collective Worship Policy

“Working together for each child to realise their God-given potential to flourish”

Rationale

The Trust understands worship to be a special act or occasion, the purpose of which is to show reverence to God. Collective worship involves pupils and staff coming together and participating in a daily gathering. In line with the 1988 Education Reform Act which states that collective worship should be “wholly or broadly of a Christian character”, collective worship in our academies is based on the teachings of Christ and traditions of the Christian Church. However, we aim to conduct our collective worship in a manner that is sensitive to the individual faith and beliefs of all members of the academy.

Collective worship contributes significantly to the ethos of the Trust and it is our aim that it is a time when the academy community can:

- Share common aims and values;
- Celebrate achievement and special times;
- Explore together the world in which we live;
- Develop a community spirit.

Aims for Collective Worship

The aims and purpose of collective worship are:

- To provide an opportunity for the pupils and academy community to worship God;
- To enable the pupils and academy community to consider spiritual and moral issues;
- To enable the pupils and adults to explore their own beliefs;
- To encourage participation and response;
- To develop in pupils a sense of community spirit;

- To promote a common ethos with shared values and to reinforce positive attitudes;
- To introduce different ways of worshipping.

For further details of an individual academy's aims and purpose of collective worship - see *Appendix 1*.

Practicalities of Organisation

Our academies hold a daily act of collective worship.

For academy specific details - see *Appendix 1*.

Content

A plan of themes is produced annually reflecting the values an academy has chosen. Our academies also consider and reflect on the festivals and special times of the Christian calendar.

For academy specific details - see *Appendix 1*.

Resources

For details of resources individual academies use - see *Appendix 1*.

Evaluation, Monitoring and Review

It is the role of the Academy Governance Committee (AGC) to monitor the policy and practice of collective worship. As part of this, pupil interviews are carried out / pupil evaluation forms are reviewed.

Any academy specific details in relation to evaluation, monitoring and review are set out in *Appendix 1*.

Right of Withdrawal

As our academies are Church academies, we expect all pupils to attend collective worship, and we discuss this with parents / carers at the time of admission. However, any parent / carer can request permission for their child to be excused from attending religious worship and the academy will make alternative arrangements for the supervision of the pupil during the period concerned. Parents / carers do not have to explain or give reasons for this. This complies with current legislation. The Headteacher keeps a record of any pupils who are withdrawn from collective worship.

Name of Academy: Loddington C of E Primary School

Jesus said: "I have come that you may have life, life in all its fullness."

Aims for Collective Worship

In addition to the aims already stated, at Loddington CE Primary School, Collective Worship is at the heart of every working day. We provide an opportunity for pupils and staff to worship in a contemporary Christian style, which is consistent with the beliefs and practices of the Church of England.

Practicalities of Organisation

Our daily act of Collective Worship forms part of each assembly. The format for these is agreed annually and an example is in Appendix 2.

We conduct Collective Worship in a dignified and respectful way. We tell pupils that worship time is special thinking time for calm reflection. We regard it as a special time and expect them to behave in an appropriate way. We ask them to be quiet and thoughtful and to listen carefully to the teaching. We invite them to participate in prayer, individual reflection and songs. We create an appropriate atmosphere by using music and candles that act as a focal point for the attention of the pupils.

The Headteacher and members of staff conduct Collective Worship, but usually on Wednesday, we invite visitors from other Christian organisations to lead the session. Weekly, this is our local vicar. We also invite a Reverend from a local church in Rothwell, once per fortnight. This brings greater variety to our worship times and strengthens links between the school and the local church. Parents / carers are invited to our church Collective Worship for special services including communion, Harvest, Christingle, Candlemas, Easter and end of year. This promotes the community spirit of the school. We welcome governors' attendance at our Collective Worship at any time.

Other opportunities for prayer and reflection are given at lunchtimes and in classes at appropriate times of the day.

Content

A record is kept of all acts of worship, recording themes covered and songs / music used. Our headteacher plans the outline of worship each half term, linked closely to our school values.

We also hold Collective Worship that reflects the achievements and learning of the pupils. We encourage the pupils to participate in Collective Worship by showing their work to others and sharing issues that they have discussed in their classes. Collective Worship offers an opportunity to acknowledge and reward pupils for their achievements both in and out of school. They play an important part in promoting the ethos of the school, which is that all pupils are valued and all achievements recognised in order to develop the whole child their experiences of life in all its fullness.

Resources

The Lion Storyteller Bible and The Lion Bible for Children are used as the regular source of Bible material to share with pupils.

We use St Edmundsbury resources with key links to bible stories and video clip references. We invested in Picture News, which we use weekly to look at World news and views, British Values and protected characteristics.

The "Values for Life" folder from Jumping Fish is also used as source material. Books, extracts and film clips are used by teachers to match to the school values. Song words and PowerPoints are kept electronically on the staff drive.
